Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Sunday 02 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and showers again today, wet and windy tomorrow.

Today:
A chilly start and then another day of sunny spells and showers, some heavy. Eastern and northeastern UK can expect the heaviest showers this afternoon whilst best weather then likely over southern and western coastal areas. Warmer than yesterday.

Tonight:
Quickly turning chilly this evening with daytime showers dying out. Overnight, cold with clear spells and rural frost. Windier in the west later with rain into Northern Ireland by dawn.

Monday:
Early cloud and rain, heavy at times, over Northern Ireland spreading across Britain reaching the far east during the afternoon. Becoming windy, especially in the south, with coastal gales.

Outlook for Tuesday to Thursday:
Heavy rain and strong winds clearing eastwards Tuesday. Cold with a mixture of sunny spells and showers thereafter, perhaps with rain in the far south for a time Thursday.
